

EBTC SUMMER INTERN PROGRAM

Introduction

We are excited that the Lord has prompted you to prayerfully consider coming to Eleuthera to serve as an intern for this summer at the Eleuthera Bible Training Center! We want to walk with you through this decision and help you understand what we are all about. So please consider these questions and feel free to ask us any further questions that you may have about this opportunity.

Is this desire to come next summer from the Lord? We believe that all ministry should be initiated by God, not by our own desire to work for Him. If He is calling you to get involved, then He will provide the equipping and the means to be a part of this opportunity.

Are you prepared to join His work in Eleuthera? Where do you find yourself in your spiritual life right now? Being an intern here is an exciting opportunity of service. There is no other way to approach this than to have the attitude of a servant. You will be required to pour yourself out physically, emotionally, and spiritually for an entire summer. The days are indeed long, and your experience as an intern will be some of the most demanding and stretching times of ministry, but they will also be some of the most rewarding. Through these challenges God will teach you and mature you more than you thought possible if you will let Him have His way with you.

The summer months are the most intense time of ministry as we serve with short-term mission teams on a weekly basis and continue our work with the people of Eleuthera as well. You will be an integral part of our plan to host teams and fulfill our ministry in a way that is pleasing to God.

The deadline for receiving intern applications is Wednesday, February 15. Applicants will be contacted no later than Wednesday, March 1. Please continue to seek the Lord in this decision and don't hesitate to contact us if you have specific questions.

Because HE Lives!

Responsibilities

Flexibility is a character trait that is necessary on the mission field. We must be flexible and obedient in whatever situation, because the Lord usually has different plans than we do. Island life is rarely structured or planned the way we schedule things in the States. It takes some getting used to. Following is a basic idea of what you will be responsible to do this summer, but be prepared for whatever the Lord (or we) may ask you to do with the attitude that He desires.

Three Key responsibilities for summer intern staff:

- Assist the Mission Team Coordinator in leadership over the short-term mission teams and other areas of ministry with EBTC.
 - Maintain appropriate and healthy relationships with other summer intern staff and CMA missionary staff.
 - Build relationships with mission team members and provide spiritual leadership by example.
- 1. Assist the Mission Team Coordinator in leadership over the short-term mission teams and other areas of ministry with EBTC**
 - a. Interns will be under the direct supervision of the Mission Team Coordinator.
 - b. Interns will be responsible to report to the leadership anything they are concerned about relating to teams or training center needs.
 - c. Interns should find time to develop their personal relationship with the Lord. It is critical that you are spending quality time with God as you are stretched physically, emotionally, and spiritually during this intense time of ministry.
 - d. Interns will be involved in a discipleship relationship with the leadership during their time at EBTC. This will include spiritual and personal accountability.
 - 2. Maintain appropriate and healthy relationships with other summer intern staff and CMA missionary staff.**
 - a. Any conflict in relationships among interns and/or staff must be dealt with immediately with the person in question. Being a peacemaker means that we deal with confrontation in a Biblical way. Matthew 18 provides the Biblical approach to handling personal conflict and is the process we follow here at EBTC. We must be “diligent to preserve the unity of the Spirit in the bond of peace” (Eph. 4:3).
 - b. Interns must agree to not participate in any romantic relationships with anyone while serving as an intern at EBTC. Interns must not be alone with members of the opposite sex. Stay with the group.
 - 3. Build relationships with mission team members and provide spiritual leadership by example**
 - a. Interns will be responsible for coordinating and maintaining the activity at the Training Center when the senior staff is not present. Interns will work with team leadership in supervising and assisting the mission teams.
 - b. Interns will be responsible for complying to and enforcing all guidelines & policies with teams serving at EBTC.
 - c. Interns will have duties and projects to complete when teams are not present at the center.
 - d. Interns must at all times remain above reproach in behavior. We are representing Christ in the work that He has raised up in Eleuthera.

- e. Interns will be encouraged to participate in ministry with the Bahamian people when opportunities arise.
- f. Exhibit a Christ-like attitude at all times.

Financial Information

The ministry requires that any intern who has been accepted to come will raise \$1,200 for eight (8) or more weeks or \$150 per week for less than eight (8) weeks. **Although we ask that interns serve at least 8 weeks, the minimum number of weeks to serve is six (6).** This will cover the expenses for the summer. Additionally, the intern will be responsible for their airfare expenses for travel to and from the island. The intern is encouraged to raise the financial support for their summer.

Costs that the ministry will cover with the money you are raising to come:

- Lodging
- All meals during the summer. Includes \$15 for meals on the R&R day with the teams
- Any ferry or transportation costs during the summer

Costs that you will be expected to cover on your own:

- Any eating out meals apart from what is provided above
- Souvenirs or other gifts

CMA Statement of Faith

We Believe...

In one God, eternally existing in three persons: God the Father, God the Son (the Lord Jesus Christ), and God the Holy Spirit, equal in power, glory and essence;

In the person of Jesus Christ, God's unique Son who was God manifested in the flesh, and gave Himself as the supreme sacrifice for man's sin, satisfying God's justice against sinners, and is alone the only way of salvation;

In the Holy Spirit, who reveals Christ, convicts of sin, righteousness, and judgment; who regenerates, sanctifies and seals forever those born again through faith in Christ;

In the Bible, God's written word – inspired, wholly true and without error in the original manuscripts;

In sin as the state of all humanity, inherited from Adam, causing the consequence of death, and from which man cannot save himself;

In salvation as the free gift of God by grace through faith in the substitutionary death of Christ, and His subsequent resurrection from the dead;

In the eternal security of all true believers.

I have read and agree to the CMA Statement of Faith and am willing to submit to the leadership of Eleuthera Bible Training Center while serving as a summer missionary.
